Dear Sir:

The documents cited on the enclosed form PTO-1449 (copies of documents enclosed) may be material to the examination of the above-identified patent application and are, therefore, submitted in compliance with the duty of disclosure defined in 37 CFR 1.56. It is respectfully requested that the documents be considered and made of record in the application identified above.

This Information Disclosure Statement is not to be construed as a representation that a search has recently been made, that additional information material to the examination of this application does not exist, or that this citation constitutes prior art.

These documents were cited by the Examiner in connection with co-pending, commonly assigned United States Application No. 09/590,417 in an Office Action dated October 1, 2003. This Action cited documents that may be material to the examination of the above-identified patent application.

This Information Disclosure Statement is being submitted for filing prior to receipt of a final action, a notice of allowance, or an action that otherwise closes prosecution in the application, in accordance with § 1.97(c).

In accordance with § 1.97(e), the undersigned hereby certifies (1) that each item of information contained in the Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the Information Disclosure Statement; or (2) that no item of information contained in the Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application or, to the knowledge of the person signing the certification after making reasonable inquiry, was known to any individual designated in § 1.56(c) more than three months prior to the filing of the Information Disclosure Statement.

Accordingly, it is believed that no fee is due with this submission. If a fee is due, the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment, to Deposit Account No. 50-0383 of Hughes Electronics Corporation, El Segundo, California.

Respectfully submitted,
